02 COMPANY PROFILE

ABOUT US

CALM WAVES

GLOBAL EQUIPMENT TRADING & PROJECT SOLUTIONS

WHO WE ARE

CALM WAVES is a specialized company in **Global Equipment Trading & Project Solutions**, providing a wide range of construction equipment, concrete solutions, and industrial machinery through a trusted network of leading manufacturers and suppliers worldwide.

We support our customers in selecting the right equipment, preparing technical and commercial solutions, and managing procurement and logistics coordination to ensure the best solutions that meet project requirements, budgets, and timelines.

We believe that the success of any project depends on choosing the right partner. Therefore, we focus on building long-term relationships based on trust, professionalism, and delivering real value to our customers.

OUR VISION

To be the most trusted and leading partner in global equipment trading and project solutions, connecting projects with the best manufacturers worldwide and delivering high-quality solutions that drive the future of construction and industrial development.

OUR MISSION

To deliver comprehensive solutions for construction equipment, concrete solutions, and industrial machinery through a global network of trusted manufacturers and suppliers, backed by technical expertise, commercial integrity, and professional procurement management to ensure the success of our customers' projects.

OUR CORE VALUES

- QUALITY & RELIABILITY
- INTEGRITY & TRANSPARENCY
- CUSTOMER FOCUS
- LONG-TERM PARTNERSHIP
- INNOVATION & IMPROVEMENT
- COMMITMENT TO DELIVERY
- PROFESSIONAL EXECUTION

CONNECTING GLOBAL MANUFACTURERS WITH YOUR PROJECTS

Reliable Solutions.
Successful Projects.

OUR VISION • OUR MISSION • OUR CORE VALUES

CALM WAVES
GLOBAL EQUIPMENT TRADING & PROJECT SOLUTIONS

OUR VISION

To be the most trusted and leading partner in global equipment trading and project solutions, connecting projects with the best manufacturers worldwide and delivering high-quality solutions that drive the future of construction and industrial development.

OUR MISSION

To deliver comprehensive solutions for construction equipment, concrete solutions, and industrial machinery through a global network of trusted manufacturers and suppliers, backed by technical expertise, commercial integrity, and professional procurement management to ensure the success of our customers' projects.

OUR CORE VALUES

QUALITY & RELIABILITY
We are committed to providing high-quality equipment and reliable solutions that meet the highest standards.

INTEGRITY & TRANSPARENCY
We conduct our business with honesty, fairness, and transparency in everything we do.

CUSTOMER FOCUS
Our customers are at the center of our decisions. We listen, understand, and deliver solutions that create real value.

LONG-TERM PARTNERSHIP
We build strong and lasting relationships based on trust, respect, and mutual success.

INNOVATION
We continuously explore better solutions, new technologies, and smarter ways to support our customers.

PROFESSIONALISM
Our team is dedicated, experienced, and driven to deliver excellence in every project we handle.

COMMITMENT TO DELIVERY
We are committed to fulfilling our promises and delivering on time, every time.

BUILDING TRUST
THROUGH GLOBAL SOLUTIONS

- Global Network — Trusted Manufacturers Worldwide
- Smart Solutions — Right Equipment, Right Value
- Reliable Partner — Committed to Your Project Success

04 COMPANY PROFILE

CALM WAVES
GLOBAL EQUIPMENT TRADING & PROJECT SOLUTIONS

WHY CALM WAVES?

YOUR TRUSTED PARTNER IN EQUIPMENT TRADING & PROJECT SOLUTIONS

At **CALM WAVES**, we go beyond supplying equipment. We deliver integrated solutions that help our clients select the right equipment, connect with the best global manufacturers, and manage the entire procurement process efficiently to ensure the success of their projects.

We focus on creating real value by combining technical expertise, a global supplier network, and professional procurement management.

WHAT SETS US APART?

GLOBAL MANUFACTURER NETWORK
We partner with a wide network of global manufacturers and suppliers to provide the best solutions for every project.

CUSTOMIZED PROJECT SOLUTIONS
We analyze each project's requirements and recommend the most suitable equipment and solutions technically and commercially.

TECHNICAL & COMMERCIAL CONSULTING
We support our clients in selecting the right equipment and preparing technical and commercial proposals.

PROFESSIONAL PROCUREMENT MANAGEMENT
We manage the entire procurement process from manufacturer selection to final delivery with high efficiency.

LOGISTICS COORDINATION
We coordinate with manufacturers and shipping companies to ensure timely delivery with the best logistics solutions.

AFTER-SALES FOLLOW-UP
We continue to support our clients by coordinating with manufacturers on warranty, technical requirements, and any inquiries after delivery.

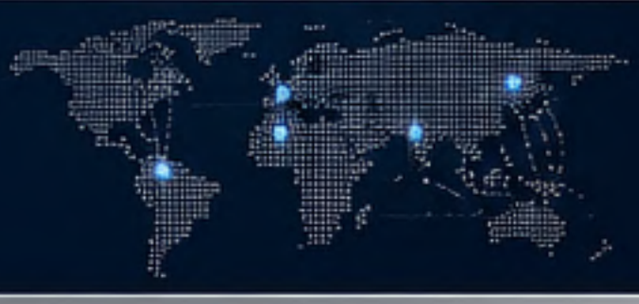

OUR COMPETITIVE ADVANTAGES

- Global network of manufacturers and suppliers
- Solutions tailored to each project's needs
- Professional technical & commercial proposals
- Competitive pricing
- End-to-end procurement & shipping coordination
- Commitment to delivery schedules
- Direct follow-up with manufacturers
- Long-term partnerships built on trust

OUR COMMITMENT

We are committed to providing reliable solutions, professional procurement management, and building long-term partnerships that contribute to the success of our clients' projects.

THE RIGHT EQUIPMENT... FROM THE RIGHT SOURCE... AT THE RIGHT TIME.

CALM WAVES
GLOBAL EQUIPMENT TRADING & PROJECT SOLUTIONS

OUR PRODUCTS & SOLUTIONS

COMPLETE EQUIPMENT & PROJECT SOLUTIONS

At **CALM WAVES**, we provide comprehensive equipment trading and project solutions tailored to meet the unique requirements of construction, infrastructure, industrial, and energy projects. Through our trusted global sourcing network, we connect our customers with reliable manufacturers, ensuring the right equipment, competitive pricing, and professional procurement management.

CONSTRUCTION EQUIPMENT
Supply of heavy construction equipment for infrastructure, commercial, residential, and industrial projects.

CONCRETE SOLUTIONS
Complete solutions for ready-mix concrete plants, batching plants, cement silos, ice plants, water chillers, and related systems.

POWER SOLUTIONS
Diesel generators, lighting towers, air compressors, and temporary power solutions for projects.

MATERIAL HANDLING & TRANSPORTATION
Wheel loaders, forklifts, dump trucks, head tractors, and logistics support equipment.

GLOBAL EQUIPMENT SOURCING
Sourcing the right equipment from trusted international manufacturers based on project requirements and budget.

TECHNICAL & COMMERCIAL CONSULTATION
Supporting customers with equipment selection, technical evaluation, and commercial proposal preparation.

PROCUREMENT & LOGISTICS COORDINATION
Managting procurement, production follow-up, shipping coordination, and delivery scheduling with manufacturers.

AFTER-SALES COORDINATION
Coordinating directiy with manufacturers regarding warranty, technical support, and post-delivery requirements.

INDUSTRIES WE SERVE

- Global Manufacturer Network
- Technical Expertise
- Reliable Equipment
- On-Time Delivery Coordination
- Competitive Commercial Offers
- Long-Term Business Partnership
- Professional Procurement Management

YOUR PROJECT... OUR COMPLETE SOLUTION.

CALM WAVES

CONSTRUCTION EQUIPMENT & CONCRETE SOLUTIONS

06 | LIFTING SOLUTIONS

LIFTING SOLUTIONS FOR EVERY PROJECT

At **CALM WAVES**, we provide reliable lifting solutions designed to meet the demands of residential, commercial, industrial, and infrastructure projects. Our equipment combines safety, performance, and efficiency to ensure smooth lifting operations across all construction stages.

OUR LIFTING EQUIPMENT

TOWER CRANES

Designed for high-rise buildings and large-scale construction projects, offering exceptional lifting capacity, stability, and operational efficiency.

APPLICATIONS

- High-Rise Buildings
- Commercial Complexes
- Residential Towers
- Infrastructure Projects

MOBILE CRANES

Versatile lifting equipment suitable for heavy lifting operations, plant installations, bridge construction, and industrial projects.

APPLICATIONS

- Heavy Lifting
- Steel Structure Installation
- Oil & Gas Projects
- Industrial Construction

CONSTRUCTION HOISTS

Safe and efficient vertical transportation solutions for workers and construction materials.

APPLICATIONS

- High-Rise Construction
- Material Handling
- Passenger Transportation
- Building Construction

KEY ADVANTAGES

- High Safety Standards
- Reliable Performance
- Efficient Operations
- Easy Maintenance
- Professional Technical Support
- Genuine Spare Parts
- Fast Delivery
- Flexible Commercial Solutions

INDUSTRIES WE SERVE

- Construction Contractors
- Real Estate Developers
- Infrastructure Projects
- Government Projects
- Industrial Facilities
- EPC Contractors

WHY CHOOSE CALM WAVES?

We help our clients select the right lifting equipment based on project requirements, ensuring maximum productivity, operational safety, and long-term value.

WHY CHOOSE OUR SOLUTIONS?

- Global Manufacturer Network
- Technical Expertise
- Reliable Equipment
- On-Time Delivery Coordination
- Competitive Commercial Offers
- Long-Term Business Partnership
- Professional Procurement Management

RELIABLE LIFTING SOLUTIONS | SAFE OPERATIONS | MAXIMUM PRODUCTIVITY

YOUR PROJECT... **OUR COMPLETE SOLUTION.**

CALM WAVES
CONSTRUCTION EQUIPMENT & CONCRETE SOLUTIONS

07
AERIAL WORK PLATFORMS (AWP)

AERIAL WORK PLATFORMS (AWP)

WORKING AT HEIGHT WITH SAFETY & EFFICIENCY

CALM WAVES provides a complete range of Aerial Work Platforms (AWP) designed to improve safety, productivity, and accessibility when working at height. Our solutions are ideal for construction, maintenance, industrial facilities, logistics, and warehousing applications.

OUR AWP EQUIPMENT

BOOM LIFTS

Ideal for reaching difficult work areas with excellent horizontal and vertical outreach.

APPLICATIONS

- Steel Structure Installation
- Building Maintenance
- Industrial Plants
- Infrastructure Projects

SCISSOR LIFTS

Safe and efficient platforms for indoor and outdoor elevated work requiring large working platforms.

APPLICATIONS

- Electrical Installation
- HVAC Works
- Finishing Works
- Warehouse Operations

FORKLIFTS

Powerful performance.
Efficient handling.
Built to last.

APPLICATIONS

- Material Handling
- Warehousing
- Loading & Unloading
- Manufacturing Facilities

SKID STEER LOADERS (BOBCAT)

Compact and versatile machines designed for excavation, site preparation, material handling, and landscaping.

APPLICATIONS

- Site Clearing
- Excavation
- Loading & Unloading

BOOM LIFTS	SCISSOR LIFTS	FORKLIFTS	SKID STEER LOADERS
Reach higher. Work safer. Get the job done.	Stable platforms. Smooth operation. Maximum safety.	Powerful performance. Efficient handling. Built to last.	Compact size. High performance. Versatile solutions.

KEY BENEFITS

- Safe Working at Height
- Low Maintenance
- High Productivity
- Fast Availability
- Easy Operation
- Professional Technical Support
- Compact & Versatile Design
- Genuine Spare Parts

INDUSTRIES WE SERVE

- Construction Contractors
- Municipal Projects
- Industrial Facilities
- Facility Management
- Warehousing & Logistics
- Oil & Gas
- Airports
- Infrastructure Projects

WHY CALM WAVES?

We provide the right access equipment for every working environment, ensuring maximum safety, operational efficiency, and reliable performance.

WHY CHOOSE OUR SOLUTIONS?

- Global Manufacturer Network
- Technical Expertise
- Reliable Equipment
- On-Time Delivery Coordination
- Competitive Commercial Offers
- Long-Term Business Partnership

SAFE ACCESS | RELIABLE PERFORMANCE | MAXIMUM PRODUCTIVITY

YOUR PROJECT... OUR COMPLETE SOLUTION.

CALM WAVES

CONSTRUCTION EQUIPMENT & CONCRETE SOLUTIONS

08 | CONCRETE SOLUTIONS

COMPLETE CONCRETE SOLUTIONS

FOR MODERN CONSTRUCTION

At **CALM WAVES**, we provide comprehensive concrete equipment solutions designed to support a wide range of construction projects. Our equipment is selected to deliver maximum productivity, consistent concrete quality, operational reliability, and long-term performance.

OUR CONCRETE EQUIPMENT

CONCRETE BATCHING PLANTS

High-performance batching plants engineered for accurate concrete production with maximum efficiency.

APPLICATIONS
- Ready-Mix Plants
- Infrastructure Projects
- Commercial Construction
- Mega Projects

CONCRETE PUMPS

Reliable pumping solutions for high-rise buildings, bridges, tunnels, and large concrete pours.

APPLICATIONS
- High-Rise Buildings
- Bridges
- Foundations
- Infrastructure

TRANSIT MIXERS

Efficient transportation of ready-mix concrete while maintaining concrete quality from plant to job site.

APPLICATIONS
- Ready-Mix Companies
- Construction Projects
- Infrastructure
- Industrial Plants

CEMENT SILOS

Reliable cement storage solutions available in various capacities.

APPLICATIONS
- Ready-Mix Plants
- Construction Projects
- Industrial Plants
- Bulk Storage

ICE PLANTS & WATER CHILLERS

Designed to control concrete temperature and improve concrete quality in hot climate conditions.

APPLICATIONS
- Hot Climate Projects
- Ready-Mix Plants
- Infrastructure
- Industrial Applications

KEY BENEFITS

- High Production Capacity
- Accurate Concrete Mixing
- Reliable Performance
- Energy Efficient
- Low Operating Cost
- Professional Technical Support
- Genuine Spare Parts
- Fast Equipment Availability

INDUSTRIES WE SERVE

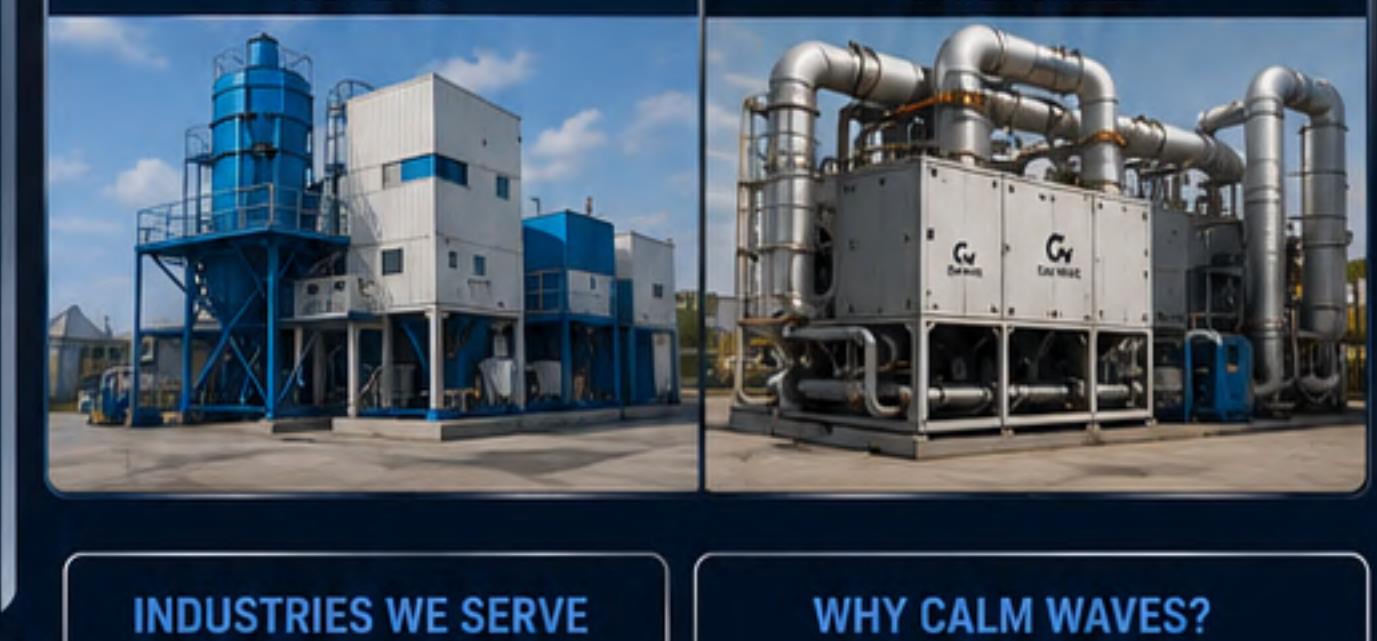

- Ready-Mix Companies
- Construction Contractors
- Infrastructure Projects
- Government Projects
- Industrial Plants
- Precast Factories

WHY CALM WAVES?

We provide complete concrete solutions – from production and storage to transportation and temperature control – helping clients achieve higher efficiency, better quality, and dependable project performance.

WHY CHOOSE OUR SOLUTIONS?

- Global Manufacturer Network
- Technical Expertise
- Reliable Equipment
- On-Time Delivery Coordination
- Competitive Commercial Offers
- Long-Term Business Partnership

09 | EARTHMOVING & TRANSPORT

BUILT FOR PERFORMANCE. ENGINEERED FOR RELIABILITY.

POWERING MOVEMENT. BUILDING PROGRESS.

CALM WAVES delivers a wide range of earthmoving and transport equipment built to handle the toughest jobs on site. Our machines are designed for high productivity, durability, and fuel efficiency—helping you move more, build more, and achieve more.

– OUR EARTHMOVING & TRANSPORT EQUIPMENT –

WHEEL LOADERS

High performance wheel loaders for loading, material handling, and stockpiling with maximum efficiency.

APPLICATIONS
- Load & Carry Operations
- Stockpiling
- Quarry & Mining
- Construction Sites

DUMP TRUCKS

Robust and reliable dump trucks for heavy-duty transportation of all kinds of materials.

APPLICATIONS
- Earth & Rock Transport
- Construction Projects
- Quarry & Mining
- Road Projects

HEAD TRACTORS

Powerful and fuel-efficient tractors for hauling heavy loads with safety and reliability.

APPLICATIONS
- Heavy Haulage
- Lowbed / Flatbed Transport
- Equipment Transport
- Long Distance Logistics

EXCAVATORS

High digging force and advanced hydraulic system for maximum productivity in every application.

APPLICATIONS
- Excavation
- Trenching
- Demolition
- Quarry & Mining

CEMENT SILOS

Reliable cement storage solutions available in various capacities.

APPLICATIONS
- Ready-Mix Plants
- Construction Projects
- Industrial Plants
- Bulk Storage

ICE PLANTS & WATER CHILLERS

Designed to control concrete temperature and improve concrete quality in hot climate conditions.

APPLICATIONS
- Hot Climate Projects
- Ready-Mix Plants
- Infrastructure
- Industrial Applications

WHEEL LOADERS

Operating Weight	5 – 30 Ton
Bucket Capacity	2.5 – 6.0 m³
Engine Power	92 – 350 kW

DUMP TRUCKS

Payload Capacity	20 – 40 Ton
Body Capacity	14 – 30 m³
Engine Power	290 – 430 HP

HEAD TRACTORS

Engine Power	300 – 560 HP
Gross Combination Weight	Up to 70 Ton
Drive Type	4x2 / 6x4

EXCAVATORS

Operating Weight	13 – 90 Ton
Bucket Capacity	0.5 – 4.5 m³
Engine Power	86 – 450 kW

CONSTRUCTION EQUIPMENT & CONCRETE SOLUTIONS

POWERING YOUR PROJECTS. ANYTIME. ANYWHERE.

CALM WAVES offers a comprehensive range of power solutions designed to deliver reliable, efficient, and continuous power for construction sites, industrial applications, events, and emergency power needs.

Our generators and lighting solutions are built for performance, durability, and fuel efficiency.

OUR POWER SOLUTIONS

DIESEL GENERATORS
Reliable and fuel-efficient diesel generators for prime power and standby power.

SILENT GENERATORS
Low noise, high performance silent generators for urban and sensitive areas.

MOBILE GENERATORS
Portable and easy to transport power solutions for temporary power needs.

LIGHT TOWERS
High performance lighting towers for construction sites, events, and night operations.

CONTAINERIZED POWER SOLUTIONS
Containerized generators for large scale projects and remote locations.

ATS & CONTROL PANELS
Automatic Transfer Switch and control panels for seamless power management.

21 COMPANY PROFILE

CALM WAVES
GLOBAL EQUIPMENT TRADING & PROJECT SOLUTIONS

OUR BUSINESS PROCESS

From Inquiry to Successful Delivery

A streamlined and transparent process that ensures you receive the right equipment, on time, with total confidence.

OUR WORKFLOW

1 **INQUIRY**
Receive project requirements and RFQs.

2 **TECHNICAL REVIEW**
Evaluate specifications and recommend the optimum solution.

3 **GLOBAL SOURCING**
Select the best manufacturer from our international partners.

4 **COMMERCIAL PROPOSAL**
Prepare optimized technical & commercial offers.

5 **SUPPLY & LOGISTICS**
Production follow-up, shipping and customs coordination.

6 **DELIVERY & SUPPORT**
Equipment delivery, documentation and after-sales coordination.

WHY THIS PROCESS?

FAST RESPONSE
Quick turnaround for your inquiries.

TECHNICAL ACCURACY
Solutions designed to fit your exact project needs.

TRUSTED MANUFACTURERS
Partnerships with world-class global brands.

COMPETITIVE PRICING
Optimized offers that deliver maximum value.

RELIABLE DELIVERY
On-time delivery with full logistics transparency.

LONG-TERM SUPPORT
Committed support throughout the life of your project.

WHAT MAKES CALM WAVES DIFFERENT?

Manufacturer Independent
We recommend the best solution, not just what we sell.

Customer-Centered Approach
Your goals drive our process from start to finish.

Global Procurement Network
Access to a wide range of reliable manufacturers.

Complete Project Coordination
We manage every detail so you can focus on your project.

Technical & Commercial Expertise
Engineering and commercial teams working together.

One Point of Contact
A dedicated partner for smooth and efficient communication.

INQUIRY → EVALUATION → MANUFACTURER SELECTION → PROPOSAL → SUPPLY → DELIVERY → SUPPORT
